Chronic medication is authorised individually and each case is reviewed on its own merit, in accordance with Scheme rules, managed healthcare principles and evidence based protocols. The inclusion of a medicine on this formulary does not constitute a guarantee of approval or funding. Not all chronic medication or formulations are listed on this formulary, but may be accessed via treatment algorithms on review of an application for authorisation.

Please note that formularies are reviewed on a regular basis by the Momentum TYB Pharmacy Benefit Management team to ensure that they comply with the latest local and international guidelines for the treatment of the listed conditions. MOMENTUM TYB reserves the right to amend the chronic formulary for the treatment of the listed conditions and may at any time remove, add or replace medicines listed in the formulary when new information becomes available.
